Seniors Day Concert

Geoffrey W Graham presents entertaining and highly acclaimed performances which include a variety of Australian verse, comedy and music. Geoffrey has acted in television and film as well as live entertainment, ranging from theatre productions to stand-up comedy and festivals.

Mike Jackson is one of Australia's favourite entertainers. Mike lives to inspire audiences of all ages and encourage a love of music in everyone he meets. His shows feature 15 unusual instruments including hammered dulcimer, melodian, concertina, mini mouth organ, ocarina, jaw harp, bones and ukulele. Well known songs and toe-tapping tunes from various cultures encourage everyone to be an integral part of the performance and Mike's enthusiasm and hilarious antics keep his audience absolutely intrigued.
